

Divergence with no migration
"split_nomig"

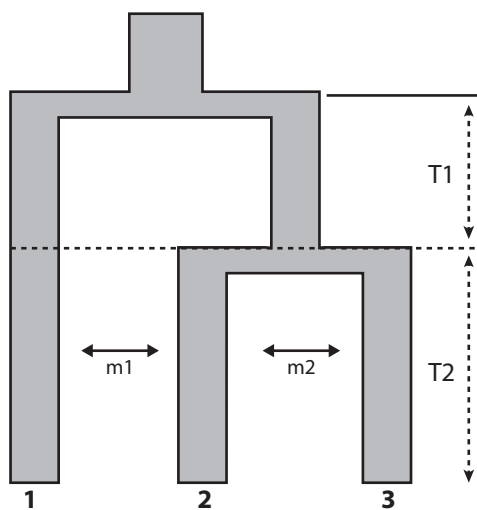

Divergence with symmetric migration,
all populations
"split_symmig_all"

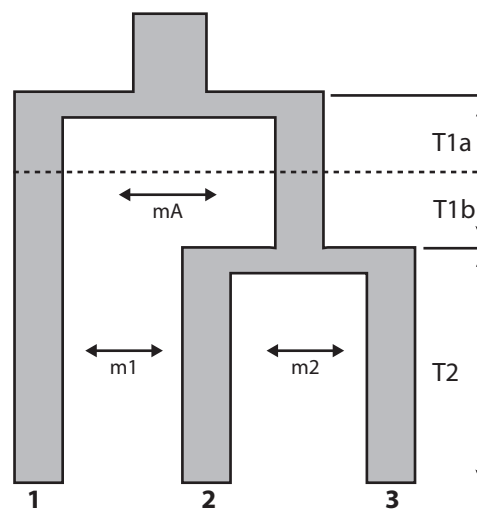

Divergence with symmetric migration,
adjacent populations
"split_symmig_adjacent"

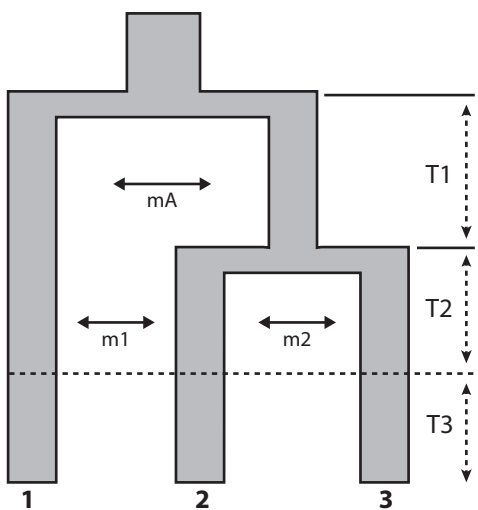

Adjacent secondary contact, longest isolation
"refugia_adj_1"

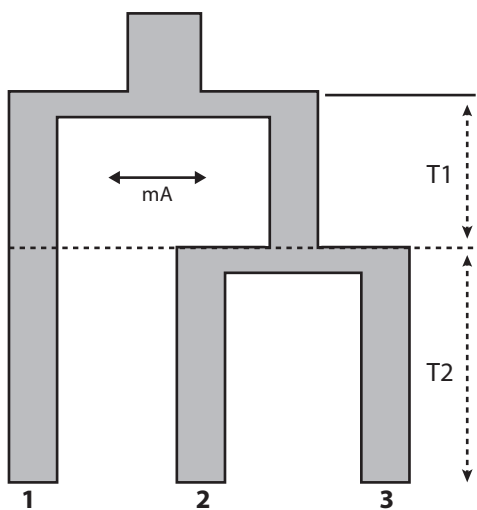

Adjacent secondary contact, shorter isolation
"refugia_adj_2"

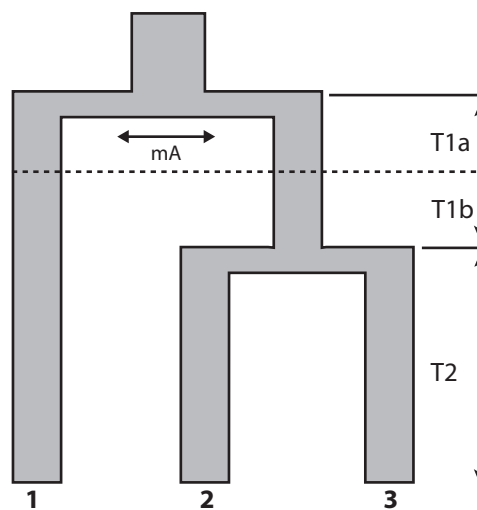

Adjacent secondary contact, shortest isolation
"refugia_adj_3"

Adjacent ancient migration, shortest isolation
"ancmig_adj_1"

Adjacent ancient migration, shorter isolation
"ancmig_adj_2"

Adjacent ancient migration, longest isolation
"ancmig_adj_3"
